Prof. Dr. Buket Aksu

Buket Aksu completed her Master's Degree in Management Organization in Social Sciences and Doctorate in Pharmaceutical Technologies.

She started her career in the Regulatory Affairs department in the Pharmaceutical Industry in 1982 and worked in various positions, including Marketing Coordinator, for many years.

Getting her life force from "learning and teaching", Aksu started working at the University to continue her academic career and she still is working

In addition to her book titled "Hop Dünya Bir Tık Yavaşla" (Not So Fast World, Slow Down a Bit) about the differences between generations, she has one book in the field of quality, named as Quality by Design.

She attended "Self Leadership" Training for Trainers of The Ken Blanchard Companies® in San Diego in 2005; she also completed the "SLII Experience", "Coaching Essentials", "Team Leadership", "Leading People Through Change", “Optimal Motivation” Training for Trainers in Istanbul until the end of 2013. In 2006, she obtained the "Skills of Influencing and Establishing Oneself" from The Madison Consulting Group and the "Emotional Leadership" Trainer Certificate from Talent Smart company.

She attended the International Lions Associations Leadership Trainers Seminars in Brussels in 2002 and Portugal in 2003. Between 2003 and 2011, she took the Train the Trainer programs and continues to provide training at the international level in this institution. She is also an active trainer in the Lions Quest program, which provides teacher training to support the Social-Emotional development of young people.

Having also completed the “Coaching” program at Maltepe University in 2006, the "Leadership", "Entrepreneurship", "Teamwork" and "Motivation" training of the CEO Education/Consultancy Institution in 2011, Aksu provides continuous training in many foundations, universities and non-profit organizations.

Buket Aksu, who is still working as a Senior Counselor at Blanchard Turkey, has attended more than 70 international and more than 150 national conferences as an invited speaker, and she is a member of many national and international associations including the ASTD (American Society for Training and Development), which is an international training society.

Prof. Dr. Aksu is fluent in English and intermediate in German.

"Buket Aksu, has been an educator who has contributed a lot to us academicians on our leadership styles or how to be a leader with her experience, her skills in perceiving and relating to the participants, the positive atmosphere she creates, and her energy. In addition to being a very successful trainer in conveying her experience in the related subject and involving the participants in the subject, she ensured that the time we worked together was as enjoyable as it was instructive thanks to the practices and the way she communicates the subjects."

Prof.Dr.Özgen Özer
Ege University Faculty of Pharmacy –
Head of Pharmaceutical Technology Department

"Buket's usual fluent, impressive style that always calms the audience has given us educators a wonderful student experience after many years. The whole day passed to the fullest on this new subject we learned. Thank you."

Prof. Dr. Nilüfer Tarımcı
Ankara University Faculty of Pharmacy –
Pharmaceutical Technology Department

"Every training we have received from dear Buket Aksu has given us new horizons, new ways of thinking and new behaviors. Since she is a highly successful trainer, I would like to state that besides the knowledge we gain in each training, we spend highly enjoyable time, and we are looking forward to her training programs.”

Prof. Dr. Yıldız Özsoy Erginer
Istanbul University Faculty of Pharmacy
Pharmaceutical Technology Department

Ms. Buket Aksu provided training on "Self Leadership", and she has added a different dimension to our perspective with her strong personality, vast knowledge and positive vibes that she constantly spreads. She is a good person, a good coach, whom I am happy to know.
