Testimonials

Bülent, in accordance with his past experience as well as his trainer identity and personal characteristics, gives the lectures in a way in which the trainings turn in to a great experience for the participants. Participants are looking forward to have the trainings, and everybody listens enthusiastically with high level of participation. After the training, together with the awareness created, each participant is ready to apply what he/she has learned from the training, into the real life. This proves how successful Bülent is!

“Mr. Bülent Levi;

- *Explains things in a concise and comprehensive way,*
- *Maintains attention, encourage participation,*
- *Open to questions, enriches his answers with personal experiences,*
- *Strong communicator, establishes a good dialog with participants*
- *During the training preparation stage and the actual workshop open to communication and supportive*
- *Thus, due to above mentioned qualities, he is a preferred facilitator for us.*

When a training turns into a great experience, this is partly due to the content but the real merit belongs to the trainer. An enthusiastic and intelligent person like Bülent, himself deeply convinced of the benefits of the tools that he explains, encourages participants to put the skills they have learnt into practice. The training was very rewarding and a great experience for all participants.
